

VAYU X

ONE TIME INVESTMENT, LIFE TIME ADVANTAGE

ABOUT VAYUX

MISSION & VISION -

At VayuX Electric Mobility, our mission is to empower everyday Indians with clean, affordable, and future-ready transportation solutions. We envision a greener India where electric mobility is not a luxury but a way of life—accessible to all, especially in rural and semi-urban areas. Our vision is to lead the EV revolution with innovative cashback plans, a strong community-driven sales model, and dependable after-sales support, creating opportunities for both earning and savings through sustainable transportation.

WHY VAYUX EV ?

Unlike traditional EV brands focused on urban showrooms and high-end buyers, VayuX is built for Bharat—the real India.

WE OFFER:

- Zero-barrier entry for freelancers and micro-entrepreneurs.
- Earn-as-you-sell model without investment pressure.
- 100% Cashback Plans for customers, turning a vehicle purchase into a rewarding experience.
- A growing movement backed by a mission—not just a business.

Whether you want to own an electric scooter or build a business, VayuX is your trusted partner on the road to progress.

CORE FEATURES -

✓ AFFORDABLE

Our scooters are priced with the common man in mind—cost-effective, durable, and value-packed. No hidden charges, just honest pricing that suits Indian pockets.

✓ CASHBACK-BASED OWNERSHIP

Our flagship 100% cashback model ensures that owning an EV is not just a smart decision—but a profitable one. Every consumer gets their money back over time, making mobility virtually free.

✓ RURAL GROWTH FOCUS

VayuX is committed to transforming rural mobility by offering: Business opportunities in underdeveloped areas Delivery and support in tier-2, tier-3, and rural regions A direct boost to local employment and green adoption

HOW CAN YOU EARN BY JOINING VAYUX?

At **VayuX** Electric Mobility, we're not just selling electric scooters—we're creating a **movement of income-generating opportunities** for people across India. Whether you're looking to start without investment or build a full-time business, we have a plan tailored for you.

- **TWO POWERFUL EARNING MODELS**

1. FREELANCER GROWTH PLAN (SALES NETWORK)(NO INVESTMENT REQUIRED)
2. DEALERS OPPORTUNITY WITH VAYUX

1.FREELANCER GROWTH PLAN (SALES NETWORK)

At VayuX, we believe in growing together. That's why we've created a unique Freelancer Growth Plan that allows anyone to earn money by promoting electric scooters — without any investment. Whether you're a student, homemaker, job seeker, or side hustler, this opportunity is for YOU!

HOW IT WORKS

- Join as a **Freelancer (Sales Executive)** — **No joining fee, no investment**
- Share **VayuX's** electric scooters and cashback plan with people in your area or online.
- Every time someone buys a scooter through you, you **earn commission**.
- As your sales grow, so does your **rank** — and your **income**!
- You also earn by referring **dealerships** — and instantly get **5%** of the dealership value as **commission**
- Once you refer a dealership, you are automatically promoted to **Manager level** in the network.

Freelancer Growth Plan

How It Works

- Join as a Freelancer (Sales Executive) — No joining fee, no investment.
- Share VayuX's electric scooters and cashback plan with people in your area or online.
- Every time someone buys a scooter through you, you earn commission.
- As your sales grow, so does your rank — and your income!
- You also earn by referring dealerships — and instantly get 5% of the dealership value as commission.
- Once you refer a dealership, you are automatically promoted to Manager level in the network.

Level-wise Commission Chart (With Profit Slab & Difference Earnings)

5% PROFIT SLAB WILL BE GIVEN TO THOSE SALES EXECUTIVES WHO'S DIRECT TEAM SOLD ANY PRODUCT

EXAMPLE EARNING POTENTIAL

Let's say you help sell just 10 scooters a month — you can earn a strong monthly income, and if your team sells 50+ scooters, your **network income multiplies**.

Add dealership referrals, and your **bonus earnings skyrocket** — all **without stocking inventory or investing money**.

- **ZERO INVESTMENT REQUIRED**

- No registration fees
- No hidden charges
- Just share, promote, and earn!

(All marketing content (posters, videos, templates) will be provided by the company to help you get started right away)

2. DEALERS OPPORTUNITY WITH VAYUX

Join the EV Movement. Build a Scalable Income.

- **Investment Details**

VayuX offers **two flexible options** to get started:

STANDARD DEALERSHIP – ₹5 LAKH INVESTMENT

- Get 10 Electric Scooters (MRP Value: ₹8–10 Lakhs)
- Full Dealership Rights
- Full Freelancer Growth Plan Access
- Priority Support, Logistics, Branding & Marketing Access
- High ROI in a Short Time

MINI ENTRY PLAN – ₹1 LAKH INVESTMENT

- Get 2 Electric Scooters (MRP Value: ₹2–3 Lakhs)
- No dealership title yet, but you earn commission on scooter & dealership referrals
- Upgrade anytime by investing ₹4 Lakhs more to become a full-fledged dealer

EARNINGS PER SCOOTER

As a dealer, you earn ₹5,000 per scooter sale, directly or through your team. Plus, you benefit from network earnings via the Freelancer Growth Plan.

ROI in Just 2-3 Months

You can recover your entire investment in just 2 to 3 months by selling scooters and building your sales network.

Example Monthly Earnings:

Scooters Sold Direct Income + Network Income Potential

Scooters Sold	On Direct Sold	Team Performance
10	₹50,000	₹10,000 – ₹30,000+
20	₹1,00,000	₹25,000 – ₹50,000+
50	₹2,50,000	₹75,000 – ₹1,00,000+

- With the right team & strategy, a **dealer** can earn over **₹3 to ₹4 lakhs/month**

Scope of Business

- Explosive demand for EVs in rural & semi-urban areas
- Low competition & first-mover advantage in many markets
